**D. Hardware and Installation Compliance**

The system hardware (System Information) indentified above is in compliance with Underwriters Laboratories (UL) 1741, Standard for Static Inverters and Charge Controllers for Use in Photovoltaic Systems; UL 1703, Standard for Safety; Flat-Plate Photovoltaic Modules and Panels; and IEEE 1262-1995, IEEE Recommended Practice for Qualification of Photovoltaic (PV) modules.

The system has been installed in compliance with IEEE Standard 929-2000, Recommended Practice for Utility Interface of Photovoltaic Systems and with applicable requirements of local electrical codes and the National Electrical Code® (NEC).

This installation has been approved by the Colorado State Electrical Inspector.

**E. Owner Agreement and Acknowledgement**

Applicant/Consumer-Generator hereby covenants and agrees to assume all risk of and liability for personal injuries (including death) and damage to property arising out of or caused by the operation of the System. Applicant/Consumer-Generator hereby covenants and agrees to indemnify, protect, defend and save harmless WREA, its affiliates, officers, directors, employees and agents from and against any and all claims and demands for damages to property and injury or death to persons which may arise out of, or be related to, or caused by, the operation of the System including but not limited to its interconnection to the WREA electrical system, except if caused solely by the gross negligence or willful misconduct of WREA as determined by a court of law.

I, the undersigned, have completed the WREA Net Metering Application & Agreement, which accurately describes the equipment/facilities to be interconnected and operated in parallel with the WREA system. I have read and understand the WREA’s Net Metering Service Requirements and understand that approval of the WREA Net Metering Application & Agreement is dependant upon compliance with these requirements and the accuracy of the information as included in this Application. By my signature I agree to comply with the WREA Net Metering policy and procedures as may be amended from time to time.
